EDUCATION AND TRAINING SECTOR

A venue designed for Education and Training...

At Wyboston Lakes Resort we are proud to be associated with the Education and Training sector. We have held some major events for some leading organisations, boasting a good track record with many well-known brands.

Wyboston Lakes Resort offers dedicated conference, training and meeting venues which have been purpose built to offer the maximum usability of the space provided to clients. Our two dedicated venues have over 50 meeting rooms including two large conference rooms for up to 600 delegates. All the rooms have wonderful natural light, high ceilings, air-conditioning and superb technology. Between the two venues we have a total of 303 comfortable and well equipped bedrooms offering delegates somewhere comfortable after a long day.

Users of both venues can enjoy 1.3Gb of shared free Wi-Fi along with sector leading AV and Tech capabilities, including multiscreen capability, tablet connectivity, wireless presentations, Blu-Ray player and Crestron Touch Panel controls. All of this is supported by our on-site tech team to deliver memorable events confidently.

When deciding upon a suitable venue to deliver residential training courses, it is important to consider all aspects of the venue.

Food is the fuel which keeps minds awake and ready to learn, and in the case of Wyboston Lakes, customers are provided with high quality and diverse cuisine. When training courses run for a number of days, delegates need menus to change by the day and we offer an excellent level of variety. The dining and refreshment areas are also situated close to the training rooms which minimises downtime and maximises the effective training time available.

Wyboston Lakes Resort is situated midway between Cambridge and Milton Keynes and set in 380 acres of rural countryside, less than one hour from London.

Whilst Wyboston Lakes has been established for many years as the UK's largest privately owned single site specialist conference and training venue, the quality of its facilities and the overall services have been recently enhanced to ensure we are leading the way in this sector.

Ultima Risk Management (URM) is one of the UK's leading training providers in the areas of information security and governance, business continuity, risk management and data protection. URM has been delivering 3 - 5 day residential courses at Wyboston Lakes with groups of up to 16 delegates since 2004. Sarah Richards, Training Manager at URM believes the venue is integral to the success of URM's training delivery: "*We believe the effectiveness of our teaching is boosted by the environment that Wyboston Lakes offers*".
