

Wyboston Lakes

Conference and Training

LAKE CENTRE FAIRWAYS

MEETING ROOM INFORMATION

All training rooms have been purpose built ensuring they all have good soundproofing with the majority having natural daylight.

All rooms are equipped with a flipchart and whiteboard as standard. Additional equipment such as overhead projectors, televisions, video players, DVD players and data projectors are available on request.

Broadband internet access is available in the majority of training rooms.

Wireless internet access is available in the delegate coffee lounge, the reception area and the Waterfront Restaurant/Bar in the Lakes Centre.

The Business Centre is open 24 hours a day and offers PC's with broadband connection.

Photocopying facilities are available within the centre.
