

WYBOSTON LAKES TRAINING AND EVENTS

A VENUE FOR THE AUTOMOTIVE SECTOR

Automotive sector enjoying the space...

Wyboston Lakes Training & Events specialises in all types of automotive events on an International, National and Regional level. Be it manufacturer or dealer led. We have the ability to create superb product launches, conferences, weekend events, meetings, team building and showcases. Whilst maintaining privacy for new releases and keeping product launches “under wraps”.

Situated midway between Cambridge and Milton Keynes and set in 380 acres of rural countryside, we really are a beautiful one off. With heaps of space both indoor and outdoor for product demonstrations, training and big reveals.

We are great at delivering outstanding events in this sector because of a good mix of relevant benefits:

- Privacy
- Excellent accessibility and central location
- Event space with vehicle access
- Outdoor demonstration space
- On-site accommodation
- Outstanding technology capabilities & Wi-Fi
- MIA Gold accreditation
- Ample free parking

The Rosewood Suite (pictured above): A newly transformed 385sqm event space, perfect for a wide range of automotive events. A highly flexible space, with vehicle access perfect for product launches.

Whilst Wyboston Lakes Training & Events has been established for many years as the UK's largest privately owned single site specialist conference and training venue, the quality of its facilities and overall services have been recently enhanced to ensure we are leading the way in the automotive sector.

Our two dedicated venues have over 50 meeting rooms including two large conference rooms for up to 600 delegates. All rooms have wonderful natural light, high ceilings, air-conditioning and superb technology. Between the two venues we have 303 comfortable, stylish bedrooms. Offering delegates somewhere to relax after a long day. Users of both venues can enjoy 1.3Gb of shared free Wi-Fi with sector leading AV and Tech capabilities. This includes, multiscreen capability, tablet connectivity, wireless presentations, Blu-Ray player and Crestron Touch Panel controls. All of this is supported by our on-site tech team to deliver memorable events confidently.
