

WYBOSTON LAKES TRAINING AND EVENTS

INFORMATION TECHNOLOGY VENUE

Intelligent Meeting Space...

Wyboston Lakes Resort is situated midway between Cambridge and Milton Keynes and set in 380 acres of rural countryside, less than one hour from London. The region is dubbed "Silicon Fen", which is home to more than 1,000 high-technology companies focusing on software, electronics and biotechnology.

Wyboston Lakes Resort has a long established relationship with the IT sector and is proud of the association. We have had the privilege of working with some of the major players within the leading edge of tech.

Our two dedicated venues have over 50 meeting rooms including two large conference rooms for up to 600 delegates. All the rooms have wonderful natural light, high ceilings, air-conditioning and superb technology. Between the two venues we have a total of 303 comfortable and well equipped bedrooms offering delegates somewhere comfortable after a long day.

Users of both venues can enjoy 1.3Gb of shared free Wi-Fi along with sector leading AV and Tech capabilities, including:

- Multi-screen AV capability
- On-site technical support
- Tablet connectivity
- FREE ample car parking
- High definition short throw projector
- Wireless presentations direct from your Apple device
- Blu-ray player
- 55" plasma screen in large syndicate room
- 8 hour ergonomic comfortable seating
- SmartKapp Digital Flipcharts
- Blackout facilities and dimmed lighting control
- Creston touch panel

All of this is supported by our on-site tech team to deliver memorable events confidently.

Whilst Wyboston Lakes has been established for many years as the UK's largest privately owned single site specialist conference and training venue, the quality of its facilities and the overall services have been recently enhanced to ensure we are leading the way in this sector.

- Excellent accessibility to major travel hubs
- Central location
- Extensive experience in the sector
- Outstanding and secure Wi-fi
- Sector leading IT and support
- Flexible space
- Ability to create dedicated spaces for medium to long term training programmes
- Ample free parking
