## PROFESSIONAL SERVICE SECTOR

### Keeping it Professional ...

At Wyboston Lakes Resort we are proud to be associated with the Professional Services sector and over the years we have had the privilege of working with some of the major players boasting an enviable track record with many well-known brands.

Wyboston Lakes Resort is situated midway between Cambridge and Milton Keynes and set in 380 acres of rural countryside, less than one hour from London.

Our two dedicated venues have over 50 meeting rooms including two large conference rooms for up to 600 delegates. All the rooms have wonderful natural light, high ceilings, air-conditioning and superb technology.

Between the two venues we have a total of 303 comfortable and well equipped bedrooms offering delegates somewhere comfortable after a long day.

Users of both venues can enjoy 1.3Gb of shared free Wi-Fi along with sector leading AV and Tech capabilities, including multiscreen capability, tablet connectivity, wireless presentations, Blu-Ray player and Crestron Touch Panel controls. All of this is supported by our on-site tech team to deliver memorable events confidently.

It is the diversity and flexibility of the two venues that allows us to deliver the very broad style of events that take place within the Professional services; from graduate programmes to a diverse range of conference and training programmes, management training, team building and compliance training.

Whilst Wyboston Lakes has been established for many years as the UK's largest privately owned single site specialist conference and training venue, the quality of its facilities and the overall services have been recently enhanced to ensure we are leading the way in this sector.
