We ask all visitors to the site to wear a facemask when inside the building and utilising public areas. The exception to this will be restaurants, bars and inside meeting rooms where 2m social distancing is being observed. Social Distancing:

Guests will be advised to practice social distancing by standing at least 1m away from others (from 4th July), while standing at reception, in the bar, in queues, waiting for elevators or moving around the resort. Restaurant tables, lounge areas, bar areas and other physical layouts will be arranged to ensure appropriate distancing or maximum capacities are introduced.

Hand Wash Facilities:

Hand sanitiser stations will be placed at all guest entrances and all areas where guests are required to be present in any volume.
