**At Wyboston Lakes Resort, we take our responsibility towards the environment and the effect our business has on it very seriously.**

**Here's some of what we do:**

- **Zero To Landfill:** We've not sent anything to Landfill for the last four years, and are committed to another year.
- We're proud to maintain a nature reserve which is supported by the Wildlife Trust. It means we take care of our guests and those we share the land with.
- We now use paper straws, and compostable coffee cups on-site. We are part of the #20Percentless scheme and have already achieved a 19% reduction.
- We have an active policy in planting trees in support of nature and nurture. We plant hundreds of new saplings to semi-mature trees year on year.
- Saving energy is key so we've begun to upgrade our lighting network to the latest energy efficient LED styles.
- **Carbon Footprint:** Everyone should try to reduce their carbon footprint and we make no apology for doing so. We've reduced our footprint by 21,000kWh year on year.

Wyboston Lakes Training & Events combines outstanding bespoke events with great training and meeting facilities. Situated midway between Cambridge and Milton Keynes and set in 380 acres of countryside, less than one hour from London.

### Accreditations & Associations

Wyboston Lakes Resort carry the Green Accreditation from Healthcare venues following a rigorous assessment of the two conference and training venues. Both venues are fully trainer in compliance within the healthcare sector for more than 3 years.
