

WYBOSTON LAKES
TRAINING AND EVENTS

A Venue For The Automotive Sector

Enjoying the space...

Wyboston Lakes Training & Events specialises in all types of automotive events on an International, National and Regional level. Be it manufacturer or dealer led. We have the ability to create superb product launches, conferences, weekend events, meetings, team building and showcases. Whilst maintaining privacy for new releases and keeping product launches “under wraps”.

Situated midway between Cambridge and Milton Keynes and set in 380 acres of rural countryside, we really are a beautiful one off. With heaps of space both indoor and outdoor for product demonstrations, training and big reveals.

We are great at delivering outstanding events in this sector because of a good mix of relevant benefits:

- Privacy
- Excellent accessibility and central location
- Event space with vehicle access
- Outdoor demonstration space
- On-site accommodation
- Outstanding technology capabilities & Wi-Fi
- MIA Gold accreditation
- Ample free parking

The Woodlands Event Centre is perfectly suited to larger, bespoke events. The Rosewood Suite (pictured above) is a newly transformed 385sqm event space, perfect for a wide range of automotive events. Highly flexible with moveable walls, sector leading tech and vehicle access it is an ideal space for product launches.

Whilst Wyboston Lakes Training & Events has been established for many years as the UK's largest privately owned single site specialist conference and training venue, the quality of the facilities, overall service, and capabilities have recently been enhanced to ensure we are leading the way in the automotive sector.

Our two venues boast a total of over 50 meeting rooms including the largest space, The Rosewood Suite, which can comfortably host up to 620 delegates. All rooms are filled with natural light, high ceilings, air-conditioning and superb technology.

Between the two venues we have a total of 303 comfortable, stylish bedrooms. Offering delegates somewhere to wind down after the day is done. Across site we have 2Gb of free shared Wi-Fi and both venues are equipped with sector leading tech and AV capabilities. All of which are supported by our on-site tech team who can help you harness to power of technology for a truly memorable event.

Both of our venues can be viewed virtually, by simply scanning the QR code with your smartphone.
