Education & Training Sector

A Venue Designed for Education & Training...

At Wyboston Lakes Resort we are proud to be associated with the Education and Training sector. We have held some major events for some leading organisations, boasting a good track record with many well-known brands.

Wyboston Lakes Resort offers dedicated conference, training and meeting venues which have been purpose built to offer the maximum usability of the space provided to clients. Our two dedicated venues have over 50 meeting rooms including two large conference rooms for up to 600 delegates. All the rooms have natural light, high ceilings, air-conditioning and superb technology.

Between the two venues we have a total of 303 comfortable and well equipped bedrooms offering delegates somewhere comfortable after a long day.

Users of both venues can enjoy 2Gb of shared free Wi-Fi along with sector leading AV and Tech capabilities. Our on-site tech team are ready to work with you to harness the power of technology to deliver a memorable event.

When deciding upon a suitable venue to deliver residential training courses, it is important to consider all aspects of the venue.

Food is the fuel that keeps the mind awake and ready to learn. In the case of Wyboston Lakes, delegates are provided with a high quality, tasty cuisine day in day out.

When training courses run for a number of days, delegates need menus to change daily, and we're proud to offer an excellent level of variety.

Our restaurants and refreshment areas are situated close to training rooms which maximises the effective training time available.

Wyboston Lakes Resort is situated midway between Cambridge and Milton Keynes and set in 380 acres of rural countryside, less than one hour from London.

Whilst Wyboston Lakes has been established for many years as the UK's largest privately owned single site specialist conference and training venue, the quality of its facilities and the overall services have been recently enhanced to ensure we are leading the way in this sector.

Ultima Risk Management (URM) is one of the UK's leading training providers in the areas of information security and governance, business continuity, risk management and data protection. URM has been delivering 3 - 5 day residential courses at Wyboston Lakes with groups of up to 16 delegates since 2004.

Sarah Richards, Training Manager at URM believes the venue is integral to the success of URM's training delivery: "We believe the effectiveness of our teaching is boosted by the environment that Wyboston Lakes offers".

Both of our venues can be viewed virtually by simply scanning the QR code with your smartphone.
