Government Business

Looking after our public sector...

At Wyboston Lakes Resort we have long standing relationships built over decades with many public service sectors and are host to purpose built training facilities for the Police and enforcement services. We have welcomed those from the NHS over many years and enjoy a strong track record.

Wyboston Lakes Resort is situated midway between Cambridge and Milton Keynes and set in 380 acres of rural countryside, less than one hour from London.

Our two dedicated venues have over 50 meeting rooms including two large conference rooms for up to 620 delegates. All the rooms have wonderful natural light, high ceilings, air-conditioning and superb technology. Between the two venues we have a total of 303 comfortable and well equipped bedrooms offering delegates somewhere comfortable after a long day.

Users of both venues can enjoy 2Gb of shared free Wi-Fi along with sector leading AV and Tech capabilities, including multiscreen capability, tablet connectivity, wireless presentations, Blu-Ray player and Crestron Touch Panel controls. All of this is supported by our on-site tech team.

It is the diversity and flexibility of the two venues that allows us to deliver the style of training that takes place within the Government sector; from regional residential training programmes to short lead day events and smaller consistent training programmes.

Whilst Wyboston Lakes has been established for many years as the UK's largest privately owned single site specialist conference and training venue, the quality of its facilities and the overall services have been recently enhanced to ensure we are leading the way in this sector.
