

An Exciting New Build Opportunity...

Landing Pad

The Knowledge Centre, situated on Wyboston Lakes Resort has planning permission for just over 11,000 sqft of new office space. With flexibility in mind the space will be ideal for one large client, or two to three mid sized clients.

At A Glance...

Office Space

Hot Desking

Booths & Pods

Kitchens

Meeting Space

Break out & Social

The plan is to create a space that is modern and flexible in design, an alternative workspace that facilitates collaboration, relationship building, and innovation.

Proposed Space...

The 11,000 sqft space is spread over two floors with the ability to have a separate entrance from the existing Knowledge Centre.

The plans have some exciting features which will make the space unique, practical and forward thinking.

Emphasis will be put on making sure the space is adaptable as we know that the work trends change regularly...

The Look And Feel...

Hot-desking:

A fantastic way to allow multiple people to use a single workstation as and when they need it.

Break out & Social Space:

Time to relax, and take a break is an important part of the working day. The proposed social spaces give employees the perfect place to do just that..

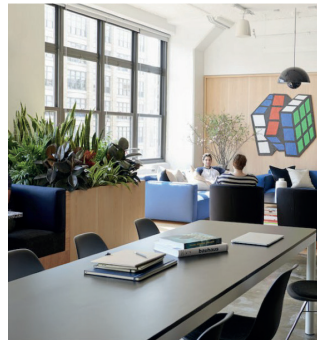

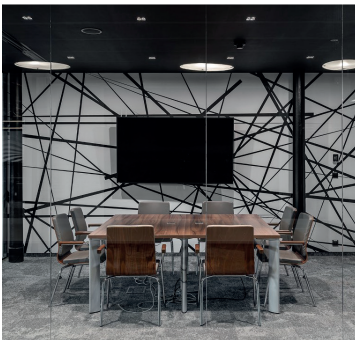

Kitchens:

Fuelling the day... Each floor of the proposed space is to feature a kitchen. Giving employees a place to grab a snack or cup of Paddy & Scott's coffe!

Booths & Pods:

For quiet time with yourself, or someone else. They are ideal fspaces for brainstorming.

Meeting Space:

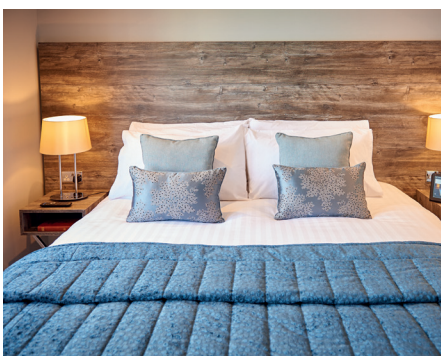

The new space will feature a range of flexible meeting spaces. So should you need to get your team together, its easy to do so.

Office Space:

We're committed to creating a space your team will thrive in. Expect forward-thinking adaptable offices.

About The Resort:

Your office will be on the only location we have office space, Wyboston Lakes Resort, we aren't a national provider. The resort itself offers your employees more than an office, it's home to two meeting & event venues, 18 hole golf course, hotels, team build facilities, health and leisure club, and award winning Spa. On top of that it's in a fantastic location with great road, rail and air transport links.
