

We're ready for you. **Are you ready for us?**

Everything you need to know for your visit to the **Willows Training Centre** at Wyboston Lakes Resort.

Comfortable. Confident. Sustainable.

We know you will want to know more about your forthcoming stay with us and so we have put some information together to ensure you feel 100% about attending your event.

First things first... where are we?

IT COULDN'T BE EASIER.

By road, rail or air we're centrally located midway between Cambridge and Milton Keynes. Just a stones throw from the A1, the A428 junction.

St Neots train station is a 10 minute drive away with regular trains to and from London. Both Luton and Stansted airports are less than an hour away.

When on-site, you'll see signposts for The Willows Training Centre, it's located towards the end of the resort.

Staying with us?

CHECK IN FROM 3:00PM

CHECK OUT BY 11:00AM

You can either check in with your group or check in yourself. You'll find the bedrooms through reception.

Each room is well equipped with a workstation, TV, laptop safe, and tea and coffee making facilities!

LET'S GET DIRTY

Thousands of eco-conscious guests staying at Wyboston Lakes Resort have chosen to have a tree planted instead of having their room cleaned under our **Room2Grow** initiative.

The project launched in 2022 and has already exceeded our ambitious target, with over 10,500 trees planted on the resort. Every little bit to help reduce energy usage and our carbon footprint.
