RIDE LEISURE

The ride of your life starts here

Set in the stunning grounds of Wyboston Lakes in a purpose built activity complex, Ride Leisure have over 15 years' experience of providing amazing corporate days.

With the ability to do up to 8 activities, in one day, in one location, with full facilities, you will not have another day quite like it!

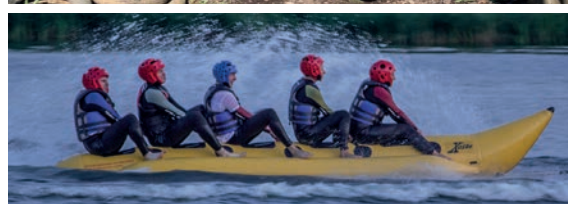

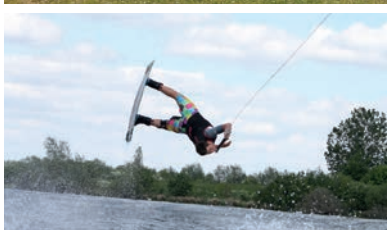

Team building activities focus on training and developing key skills, cohesion, interaction, problem solving, leadership, fellowship and conflict resolution. Sessions are designed firstly to benefit the organisation but also to develop and engage the workforce.

Take advantage of the great outdoors, the high speed modern equipment, the 4x4 off road course and the expert instructors and create corporate and team experiences you'll never forget.

Corporate events and team building days are certainly not restricted to large organisations. Packages can be specifically designed for groups of 6 - 36 delegates for Corporate Adventure packages or 8 - 80 participants for team building days. Each package is based on a ½ day or 3 to 4 hours activity time, with many themes to choose from. However, Ride can cater for groups of up to 300 so please get in touch for larger group information.

CORPORATE ADVENTURE PACKAGES

Land based packages start from £75.00 per person and Water Adventure packages start from £85.00 per person and days can be combined to include both.

TEAM BUILDING PACKAGES

Half day sessions typically include at least 4 activities such as Traffic Jam, Spiders Web and Shepherding starting from £150.00 per activity.

FACILITY

The purpose built activity centre contains a large bar and restaurant, full changing facilities with hot showers, meeting room, viewing conservatory, outside seating area and there is even a permanent 120 seat Marquee!

FOOD

At the heart of every corporate event is the food. Ride Leisure offer great food and the BBQ's by the lake are legendary, using only quality meat from local butchers, oh and the bacon rolls are pretty special too!

SAFETY

Safety is never compromised. It must come first. All of the activities are designed around keeping guests as safe as possible without dampening the fun. All safety equipment needed for each activity is provided and qualified staff will provide 1-2-1 safety briefings to all guests. Full risk assessments for all activities can be provided. Ride Leisure carries extensive public liability insurance.

Go ahead and experience the ride of your life!
