INFORMATION HERE

Allergies and intolerances: please be aware the menu description does not list all ingredients.

Please speak to a member of staff, prior to ordering, if you have any food allergies or intolerances, or queries about ingredients in your meal.

We do not accept cash payments.

This site was once a large marsh, fed by the River Great Ouse, but in the 1950s gravel extraction created a series of small lakes and pools which survives today. The gravel was mainly used in road and industrial construction, but today the old gravel pits are home to an abundance of wildlife, flora and fauna; a magical place for all of us to enjoy.
