

# THE MORTGAGE BROKER

WYBOSTON LAKES  
RESORT

# A STORY OF SUCCESS

“

**We hosted our annual conference at Wyboston Lakes on 1st October, and the experience was exceptional from start to finish.**

Planning the event couldn't have been easier, thanks to the outstanding support from the events team, who were consistently responsive and accommodating. The booking and management process was seamless, and it was by far the least stressful event I've ever planned which is largely due to having such a reliable team on hand.

”

# PROOF OVER PROMISES

“

We were overwhelmed by the fantastic space available to us at The Meeting Point, which featured three meeting rooms with one large and two smaller, all superbly equipped with top-of-the-range technology, plenty of whiteboards, and unlimited drinks and snacks. The central communal space was a particular highlight, offering a relaxed and welcoming area for attendees to mingle and recharge between sessions.

We ate our Lunch at The Gravel Pit Café Bar, it was delicious and well-presented. Following the event, we walked over to the at The Cricket Bar, which was the perfect way to network and unwind.

”

# BEYOND EXPECTED

Customer service was excellent throughout, with Megan and Joana standing out for their warmth and attentiveness. The Cricket Kitchen provided a brilliant setting to end the day, with fun games, great food, and plenty of socialising. We couldn't have asked for a better venue or team to support our event.
