FATFACE PEAK CONFERENCE 2025

“FatFace Peak Conference 2025 was an incredibly well-organised and inspiring event.

We were looking for a venue that aligned with our company values and Wyboston Lakes' Woodlands Event Centre (WEC) proved to be the perfect venue. From the initial planning stages through to delivery they were a joy to work with, taking the time to really understand our requirements whilst allowing us the freedom to be ourselves.

PROOF OVER PROMISES

Attendees consistently praised the beautiful location, modern facilities, and the convenience of having everything in one place.

The food and beverage offering was exceptional, with plenty of refreshment stations and a variety of high-quality meals that catered to different dietary needs. The highlight was certainly the 3-course meal which accompanied our awards evening, it really added to the magic.

BEYOND EXPECTED

Customer service during the event was outstanding; all Staff were friendly, helpful, and attentive, contributing to a relaxed and welcoming atmosphere. A special mention to Alex, Rach, Tom, Cam and Zarrina who were always on hand.

The conference at Wyboston Lakes left attendees feeling valued, energised, and proud to be part of the FatFace community and has set a new benchmark for future events.
