

# THE DELEGATE WRANGLERS SUMMER SUMMIT & BBQ

# THE AIMS OF THE EVENT

The organisers had five pillars for the day; Learn, Laugh, Thrive, Connect, Inspire. The full day event schedule for the Summit was packed with thought-provoking interactive education sessions, discussions and key note speakers to inspire the delegates who were themselves event professionals.

**A huge thank you to the Wyboston Lakes Resort team for looking after us so well, for letting us enjoy your fantastic facilities and for your stunning hospitality.**

# THE REQUIREMENTS

For the Summit, the event required a main room that would accommodate 150 delegates cabaret style around tables of six. An adjacent area, close to the Paddy and Scott's coffee station in the entrance, was needed for a mini-exhibition space for sponsors and a place where delegates could enjoy a 'grab and go' lunch while meeting colleagues.

The Summer BBQ needed to be in an attractive environment with space for a live band, dancing and social games. Accommodation was required on the night before for the Delegate Wranglers team and associates, and after the event for delegates wishing to stay overnight.

# THE SOLUTION

**The Woodlands Event Centre was ideal for the 'Event SuperHeroes Summit'. On arrival delegates gathered in the Cedar Lounge where the exhibition was set-up and coffee and pastries were available. The Rosewood Suite, the venue's largest meeting room, was superb for the Summit, with a SuperHeroes theme throughout the décor.**

For the Summer BBQ, everyone moved to the Drift Inn where the Lakeview area and Sandpiper Bay were the perfect setting for a Caribbean themed evening. Festival Food, cocktails, a Bob Marley Tribute act, a steel band, firepits, a fairground coconut shy, a putting green and garden games were among the many activities that provided a fabulous range of evening entertainment for everyone beside the lake.
