# VENUE: THE WOODLANDS EVENTS CENTRE

The venue itself suited our unique event perfectly – the flexible layout, great-sized rooms, and easy flow between workshops, breakout sessions, and interactive activity zones created the ideal environment. Having sole use of the venue was a huge benefit and gave our delegates freedom to fully engage in both the learning and the fun elements.

# PLANNING THE EVENT

“

From the initial planning stages through to the final roar of Harley-Davidsons leaving the site, the experience at the Woodlands Event Centre was exceptional. Communication ahead of the event was clear and proactive, with the team always accessible, supportive, and providing detailed planning materials that made coordination effortless.
