**BEYOND EXPECTED**

AT WYBOSTON LAKES RESORT

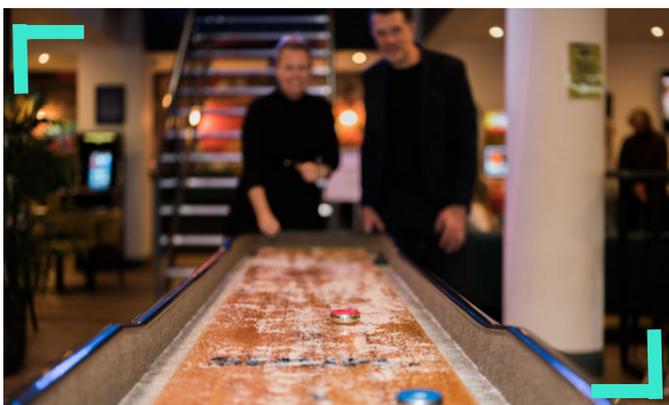

## Learning that feels less like work

We've partnered with leading organisations and well-known brands for years, building a strong reputation as a place where learning really works.

Our purpose-built training and conference spaces are designed with people in mind. With over 50 flexible meeting rooms (including two large conference spaces for up to 600 delegates), every room is filled with natural light, high ceilings, air-conditioning and tech that simply works.

Great learning needs great fuel. Delicious food is served daily, with changing menus for longer courses – all just steps from the training rooms.

From accredited courses, assessments and exams to confidential sessions and controlled environments, everything is designed to make delivery easy and stress-free. Our experienced planning and on-site teams know education inside out, while the residential setting helps delegates connect, collaborate and stay engaged.

When the day's learning is done, leisure and wellbeing facilities help everyone unwind, recharge and come back refreshed for day two.

Sarah Richards, Training Manager at URM believes the venue is integral to the success of URM's training delivery:

**"We believe the effectiveness of our teaching is boosted by the environment that Wyboston Lakes offers"**
