Learning that feels less like work

We've partnered with leading learning providers and education organisations for years, and we're known for delivering real results.

Our purpose-built training and conference spaces are designed with people in mind. With over 50 flexible meeting rooms (including two large conference spaces for up to 620 delegates), every room is filled with natural light, high ceilings, air-conditioning and tech that simply works.

Great learning needs great fuel. Delicious food is served daily, with changing menus for longer courses – all just steps from the training rooms.

WHY CHOOSE US?

- Easy to get to, right in the heart of the UK
- Everything on one site – no juggling suppliers
- Fully accessible training rooms
- A wide mix of training & education spaces
- Rock-solid IT, AV & on-site tech support
- 10Gb shared free Wi-Fi
- 423 bedrooms
- Leisure & wellbeing facilities
- Plenty of free parking
- Award-winning venues with sustainability & ESG at the core

Set across 380 acres of peaceful countryside, just under an hour from London and midway between Cambridge and Milton Keynes, Wyboston Lakes offers the perfect balance of focus and fresh air. It's a true learning campus, built for multi-day programmes – not just one-off conferences.

From technical training environments, assessment centres or controlled exam conditions, everything is designed to make delivery easy and stress-free. Our experienced planning and on-site teams know education inside out, while the residential setting helps delegates connect, collaborate and stay engaged.

When the day's learning is done, leisure and wellbeing facilities help everyone unwind, recharge and come back refreshed for day two.

Sarah Richards, Training Manager at URM believes the venue is integral to the success of URM's training delivery:

"We believe the effectiveness of our teaching is boosted by the environment that Wyboston Lakes offers"
