Looking after our public sector...

For decades, we've worked alongside police, enforcement services and the NHS, providing purpose-built training spaces that help the people who keep the country running do what they do best.

Tucked away in 380 acres of countryside (but less than an hour from London), we're perfectly placed between Cambridge and Milton Keynes – easy to get to, easy to focus.

Our single-site campus keeps everything simple, secure and stress-free. From short-notice briefings to regional residential programmes and long-term training delivery, we act as a trusted infrastructure partner to the public sector.

With 50+ bright, flexible meeting rooms, including two large conference spaces for up to 620 delegates, plus 423 bedrooms, everything happens on one site. Expect natural light, high ceilings, air-conditioning and on-site technical support throughout delivery.
