

**THE
BOX**
AT WYBOSTON

**Technical Specifications
& Fact Sheet**

KEY:

Exhibition Area = 665.73 SQM
Bar/Coffee Area = 220.82 SQM
Total Area = 886.55 SQM

Door and ramp information:

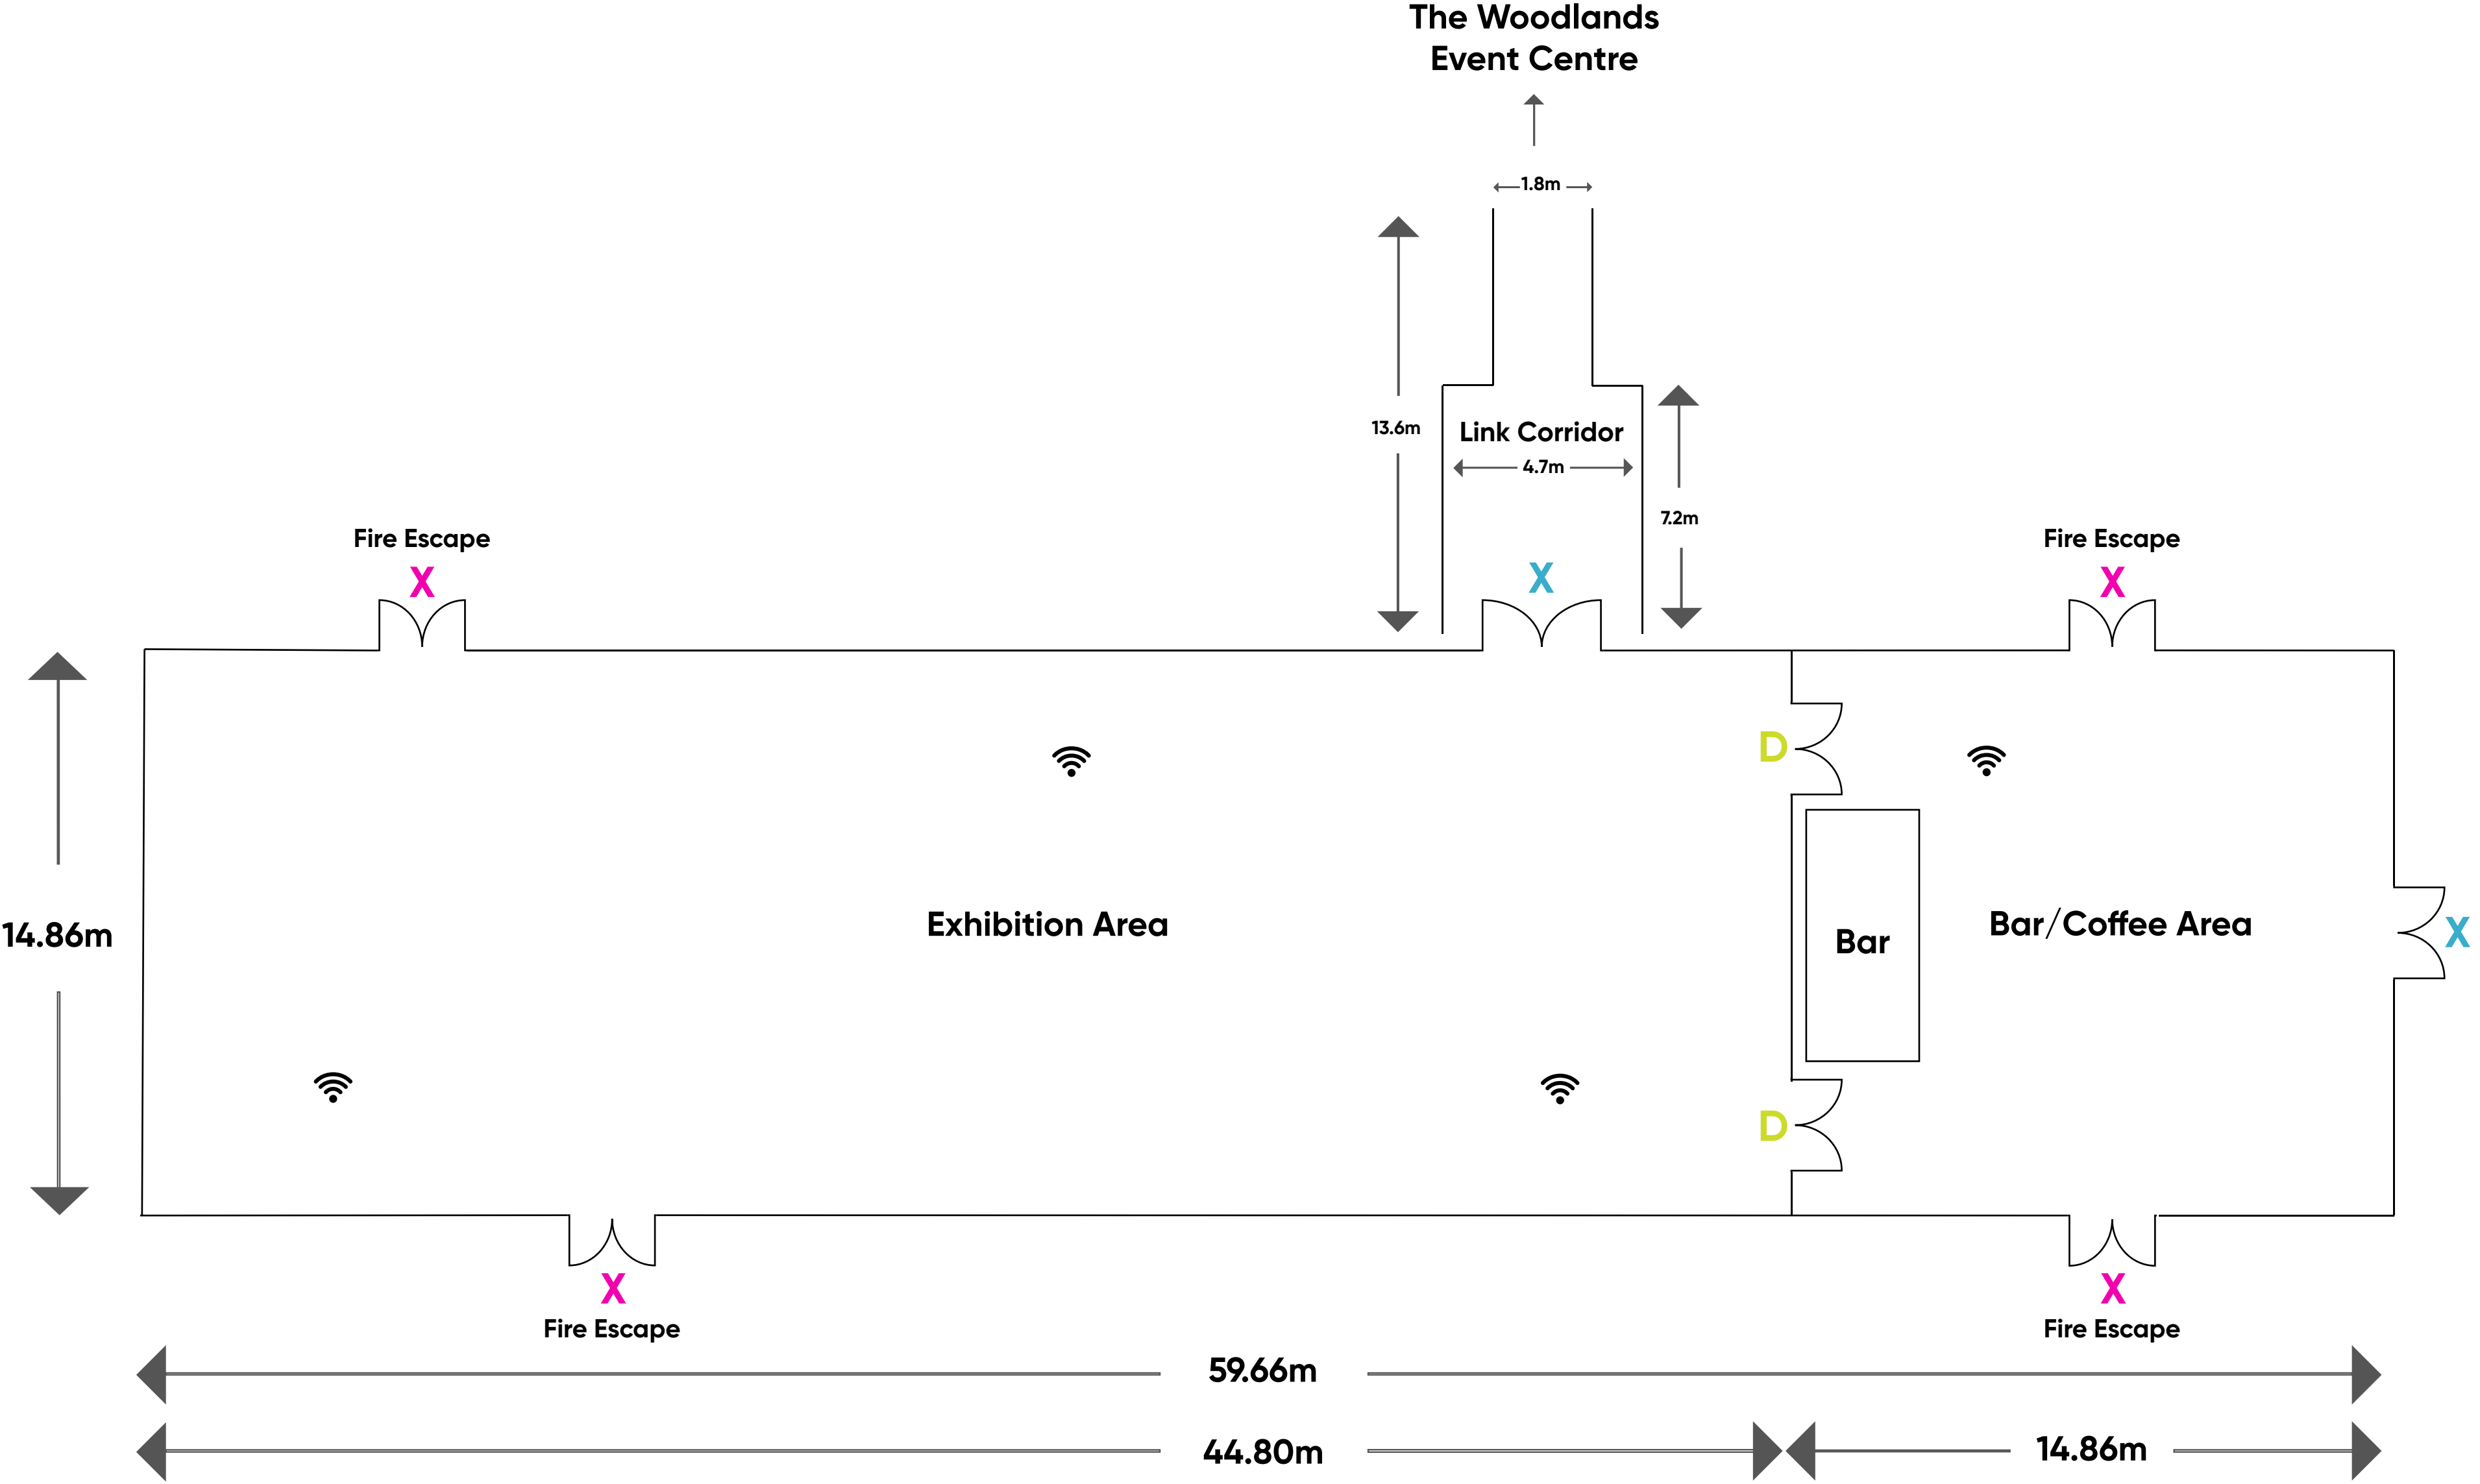

- X Ramp (1.2m width)
load of 200kg per SQM
- X Door (1.9m width x 2m height)
- X Ramp (2.4m width)
Load of 500kg per SQM
- X Door (2.1m width x 2.1m height)
- D Door (2.1m width x 2.1m height)
- Wi-Fi Point (attached to truss)
10Gb leased line for 2,000
devices.

Link Corridor:

Floor to ceiling height
(highest point) = 3.55m

Floor to ceiling at top
of ramp = 3.1m

Door from The Woodlands
Event Centre to Link Corridor
Door = 1.4m width x 2m height

KEY:

Further technical information, including:

Floor boxes electrical plan, ceiling electrics, truss information, and height information.

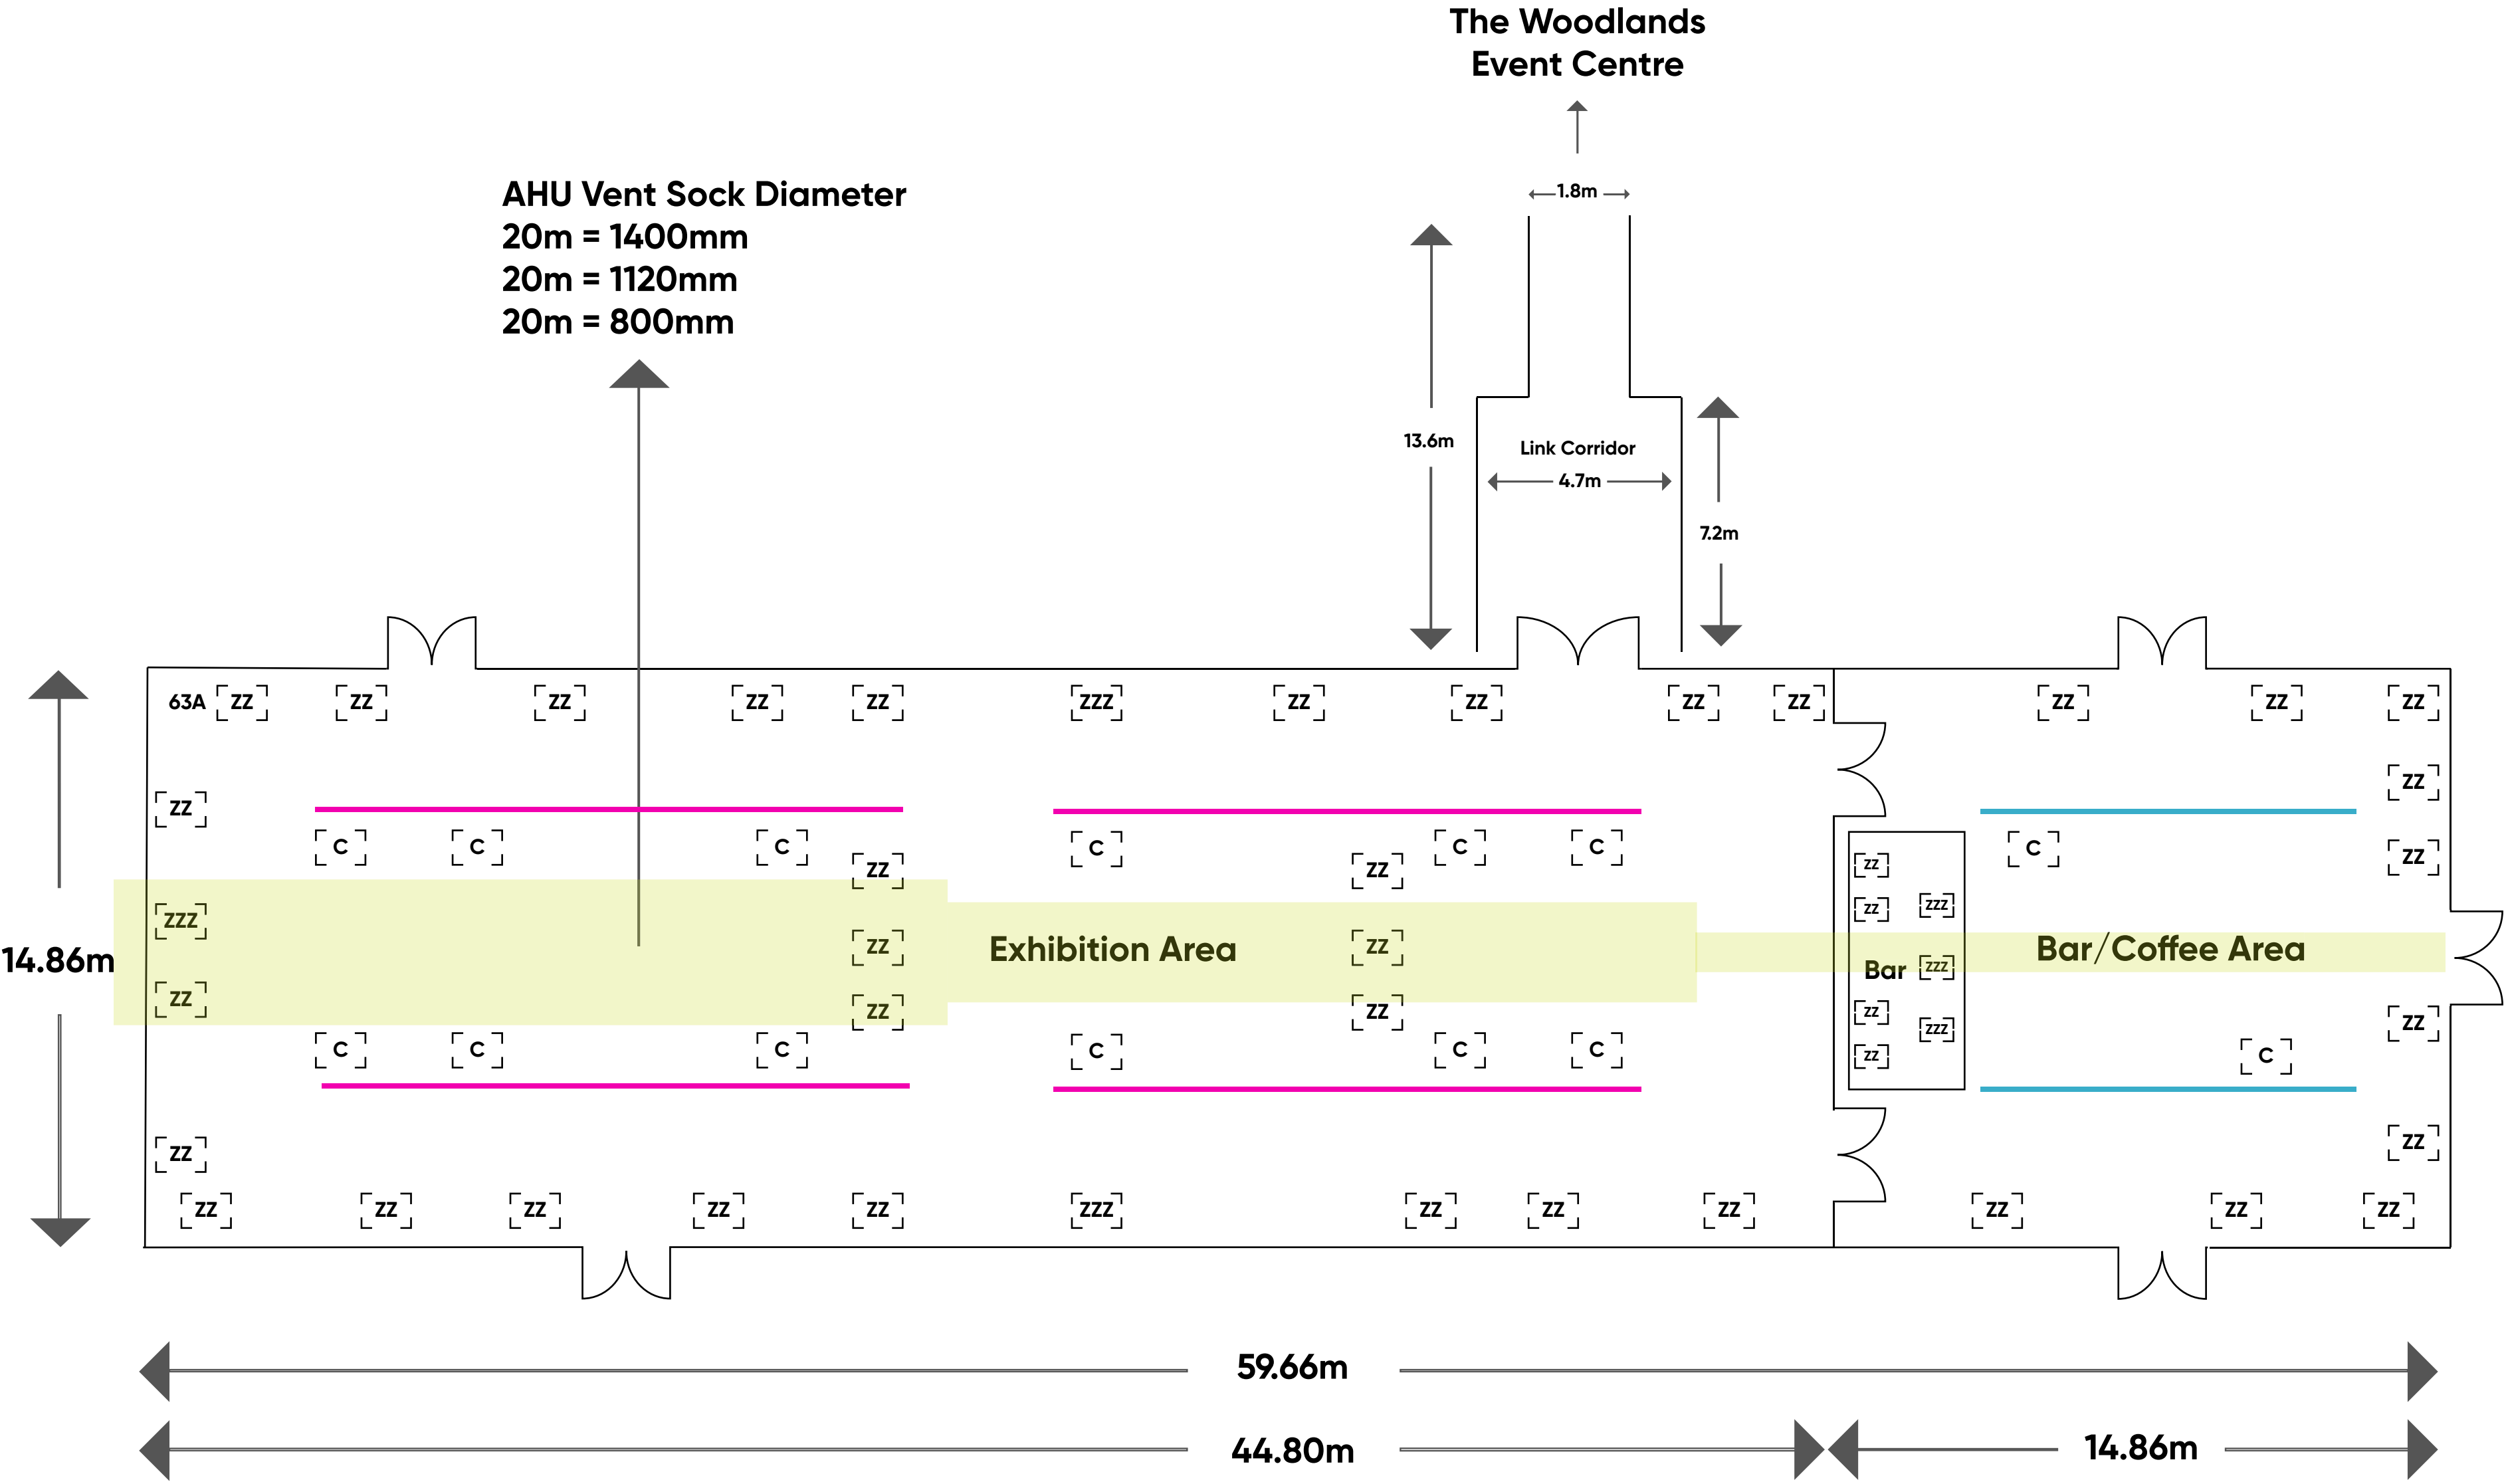

- [ZZ] Double floor socket
- [ZZZ] Double floor socket and data (Cat6)
- 63A 63AMP - 3 phase supply
- [C] Commando sockets (attached to trusses)
- Truss length = 16m
Maximum of 80kg additional load across truss
- Truss length = 6m
Maximum of 50kg additional load across truss

Heights:

Floor to bottom of truss = 3.3m

Floor to highest point between truss and air sock = 4.46m

Floor to bottom of air sock = 3.3m

EQUIPMENT:

Stage:

20 – 1m x 1m x 0.4m (height) Modular stage

3 Steps

Skirt – 14m

Other Equipment:

1 x Permanent bottle and spirits bar

420 x Banquet chairs

42 x 6ft Round tables

9 x Poseur tables
