

FINANCIAL SERVICES SUMMER PARTY

WYBOSTON LAKES
R E S O R T

THE AIMS OF THE EVENT

Ex Events had been asked to create a one day summer event for the 140 staff of a financial services company.

As event agents, finding a venue that truly partners with you is key, and Wyboston Lakes Resort delivered on every front. From the very early stages of planning all the way through to post-event wrap-up, the staff were incredibly accommodating, attentive, and supportive.

THE MAIN EVENT

Delegates arrived by train from London at nearby St Neots Station. From there coaches took them on the short journey to the Willows Training Centre.

After registration, the business element of the day, a strategy session, took place in The Willows Suite which was arranged theatre style. A buffet lunch was then served in the Cricket Kitchen.

For the afternoon, delegates had selected in advance either an indoor or outdoor activity. Those who had chosen the indoor option created one large table-top art masterpiece. The outdoor activities, taking place on The Pasture, were a sports day and 'go mad in the country' – a murder mystery.

AN EVENING TO REMEMBER

The evening social activities took place in the Lakeview Suite and outdoor area of Sandpiper Bay at Drift Inn, which were extensively decorated for the occasion.

The drinks reception was accompanied by a DJ and spectacular circus-style entertainment, including a fire breather, sword swallower and dancers. Festival-style food was served, including buffalo hot wings, roasted chorizo, seafood paella, corn dogs, vegetarian options, salads and a selection of side dishes, followed by a choice of desserts. At 22:30, late-night pizzas were served as the music and dancing continued into the evening.

Delegates stayed overnight in The Willows Training Centre before departing after breakfast to travel home by train.

BEYOND EXPECTED

Operationally on-site, the team was seamless. They effortlessly accommodated our last-minute requests and went above and beyond to look after our client during their offsite. It makes our job so much easier when a venue team is this responsive and dedicated to excellence. We highly recommend Wyboston Lakes and look forward to bringing more clients here in the future!
